3 August 2018

Dear Parents and Caregivers,

The staff vote has now been finalised, for the **Independent Public School** notion and I am very pleased to share with the community that it was a **Yes vote**. With all three cohorts voting Yes. Caroline Cameron and I have been working extremely hard to prepare the presentation which will be made to a panel of 3 Principals on Monday 13th August. A rehearsal of this will be presented to the School Council on Monday 6th August.

The **Lapathon** is on again this year with a twist! The P & C have added a colour station and some fun obstacles throughout the course. Please make sure you come wearing your old clothes, and maybe order a yummy pie from the Canteen Specials.

Thank you to Heather from **St John Ambulance** who attended the PLC this week teaching the students about what to do in an emergency. The students were given the first 4 steps in DRSABCD. I look forward to having Heather back to share more life saving skills with all of the students.

Remember if you have an idea for a workshop or session please let us know.

Well done to the **Eagles Cup** team who took on Flinders Park Primary on Tuesday afternoon but sadly lost by 13 points.

Gaming and Screen time is an ongoing discussion point in any home or work place. Please remember to monitor the amount of time and WHAT your children are being exposed to on the internet.

It has been brought to my attention by several students and teachers that a LARGE portion of students at APS are playing a game called '**Fortnite**'. This game is rated M with considerable amounts of violence. Please have a look if your child is playing the game and decide if it is appropriate for YOUR child.

Playing after school on school grounds is a nice thing to do to encourage healthy activity and socialising. However, it is important to show respect to others and school property. Please make sure your child is adequately supervised during these times including NO running through gardens, up and down the embankments and inappropriate and physical contact with others.

Unfortunately, due to a physical injury the **Minister of Education, Mrs Sue Ellery**, was NOT able to attend Albany Primary School on Thursday 2 August 2018. Fingers crossed that on her next visit to Albany she will be able to visit our amazing school.

We always welcome your feedback so please do not hesitate to contact me via the office or email jayde.mcivor@education.wa.edu.au.

Regards

Mrs Jayde Hewson
Principal
