#### Dear Parents,

We are fast approaching the end of term! Last week and this week have been full of school activities with a number of events including excursions for the year 6s, Dockers Cup for the year 5/6 girls, excursion to Denmark Ag School, staff on professional learning sessions on writing, the Music Festival, a School Council meeting and a lot more.....

#### Assembly

Our year 2, Room 5 students will be conducting the assembly this Friday. It sounds like they have some interesting entertainment planned! I hope to see you there!

#### Learning Journey Evening

The learning journey evening is scheduled for 4:00 to 6:00 pm on Thursday 15 September. We hope parents will take the chance to visit their child's class and see what their child has been doing. The evening is not designed for teacher/parent interviews but, after seeing your child's work, you may like to make an appointment.

The evening will include performances in the assembly area starting at 4:45 pm. We have a number of classes performing so you are welcome to join the audience. We have dance, music and drama happening. Please be a part of this for the full show so that students benefit from performing in front of a large audience.

The program for the evening is:

Year 5 Choir With Mr Staude

Year 6 Rm 14 Nappy Funtime

Year 3 Rm 16 When I Grow Up

Year 4/5 Choir With Mrs Goodall

Year 3 Rm 6: Pete the Cat A Play

Year 6 Rm 14: "Me Too" Dance

Year 6 Rm 13: "Beauty and The Beast" A Play

I look forward to seeing you here at the school for the evening. The coffee man will be here too!

#### Music Festival Performance

I really enjoyed attending the Music Festival last evening during which our year 4/5 choir performed. All the schools did a great job of entertaining the audience who were enthralled the whole show.

A great effort by our choir and "well done" to the students and Mrs Goodall. Your efforts are much appreciated.

#### Dockers Cup

Our girls were quite outstanding during the Dockers Cup. They played some great football and ended up winning the grand final. What a super effort! Thanks to Mr Bolt, Mr Dawson and Mr Goldsmith for preparing the team.

#### Giving Your Child Responsibilities

We notice here at school that many students thrive on having responsibilities. It helps their organisational skills, enables self discipline and gives them sense of satisfaction and self worth. Do you give your child responsibilities at home? Maybe this is something you could put into place to develop your child's independence.

As part of the Crunch n Sip September promotion the Canteen will be giving away free vegetable sticks and dip next week at recess. Thank you to York Street & Spencer Park IGA for donating the vegetables. To promote the benefit of vegetables the canteen is running a competition with the prize being a free lunch order to the value of \$5 in each age section.

Kindy – Year 1: Draw and colour in a picture of only vegetables and fruit.

Year 2 – 6: Design a healthy food that you would like to purchase from the canteen (this may be adopted as part of the canteen menu).

Entry forms are available from the clear box on the wall, next to the canteen hatch. The winners will be announced at the last assembly of term, on September 23.

Good luck everyone and remember to crunch your way through September on some fruit or vegies.

Lapathon is fast approaching so remember to collect your donations. The money raised will go towards the development of the Art Shed. If you can help with either the set up or sausage sizzle, please leave your details at the front office. Pre-order forms for the sausage sizzle will be sent out early next week.

The discos last week raised \$1,900. Thank you to everyone who volunteered their time.
