	1 x support driver
Contact arrangements during excursion:	<i>APS Office: 9844 2860</i>
Educational purpose of excursion This excursion has been planned to supplement the following work being completed in your child's classroom and/or is part of their education program. This excursion consolidates our Bike Education/Health and Safety Programs and further prepares students attending Rottnest Camp. In addition to the above, the students will also have the opportunity to improve their fitness, whilst enjoying the natural beauty of the Munda Bididi Trail.	

Activities Your child will be participating in the following activities.	
Bike Ed Students will need their bike and helmet. The first sessions will be conducted on and around the school grounds. The last session will involve riding along Middleton Beach Rd to the cycleway to Emu Pt and return. A theory class will be conducted during class time.	
Munda Bididi Students will load bikes onto trailers from 8:30 onwards for the Munda Bididi Bike Ride, then depart via bus for Elleker. The ride comprises a 20km return trip from Elleker to Torbay Hall along the Munda Bididi Bike Trail. See attached map. We will need trailers capable of carrying a total of 70-80 bikes or the equivalent thereof. As transport arrangements will be limited, it is requested that in most instances, parent volunteers (other than those providing the trailers), please arrange their own transport for themselves and their bikes.	
Special clothing or other items required All excursion participants are to comply with all venue/site special clothing or other item requirements as prescribed.	
Students should dress appropriately for the weather conditions. Please bring a hat. As we will be lunching somewhere along the track for the Munda Bididi Ride, a packed lunch, nibbles and a minimum of 700mL of water will need to be provided. Please complete, sign and return the section overleaf by Friday 25 July 2025
